Test Day Policies

Checking In

Students are required to arrive and check in for exams 15 minutes before scheduled appointment time to complete answer sheets. Testing begins at the exact appointment time. Once testing begins, doors are closed and no one is allowed in. When you check in, you will be asked for identification.

Your ID must have the following 5 things to be valid and acceptable:

1. Your name exactly as written in your HiSET test taker account.
2. Proof of address
3. Your signature
4. Your date of birth
5. A recent and recognizable photograph

If the test center administrator questions your first ID, you will be asked to provide a second ID that matches the above requirements. To cancel any testing appointment we require a 24 hour notice. For more information, please contact your test center or review your state or jurisdiction requirements in the following web page:
